

1 paid for. I wonder if it should not be in the bill
2 heading.

3 MR. SCANLAN: I believe it provides for
4 compensation of the delegates.

5 MR. BOND: I am talking about the cost of
6 the special election particularly.

7 MR. BROOKS: This is the point I was
8 suggesting be taken up as a special report not in
9 this report by the Commission today because this is
10 something that will have to be really drawn up and
11 presented in a different bill from this and should go
12 on to the Budget Department right now. I think it
13 probably would be an appropriate item of business after
14 the consideration of this report.

15 MR. BOND: Does everyone understand the
16 point I make? There is no provision in the bill to
17 provide for the expense of a special election. If we
18 do it, we have to do it fast.

19 MR. SCANLAN: That is correct.

20 MR. SYKES: Can I make one suggestion about
21 drafting this title? When you try to summarize express
