

1 going back to 1867 though districts have been added
2 whereas legislative districts in the counties are
3 something new. I have heard Mrs. Freedlander's reasons
4 for the support of her motion, I don't say they are
5 without merit but they don't move me enough to want to
6 depart from the Committee's report.

7 MR. BOND: I must confess I disagree with
8 Mrs. Freedlander again because I think the whole City
9 of Baltimore, taking her as an example, I feel she could
10 win in the Fifth Legislative District and I don't think
11 she would have a chance if the ticket ran as a whole.
12 I do feel that that gives much more control to the
13 people who have been interested in government over the
14 years.

15 MR. SYKES: There is a real danger that if
16 election is held in Baltimore City by districts, there
17 are going to be some districts where the delegates will
18 vote the way the Register of Wills and Orphans Court
19 Judges and Court Clerks and a few of the other entrenched
20 interests who are going to fight various aspects of the
21 Constitution will want them to vote but I think that
