

1 That is the possibility of single shooting which will --  
2 maybe triple or quadruple shooting -- 43 people to  
3 vote for, this is bound to happen and it is not good.  
4 This argument applies to the question just defeated as  
5 well but the smaller the number of candidates, the  
6 less possibility or less strength gained by a voter  
7 restricting his vote to less than the full number that  
8 he is entitled to vote for. It certainly is going to  
9 be a more democratic selection with a fewer number of  
10 people.

11 THE CHAIRMAN: Any further discussion?

12 JUDGE ADKINS: Would it be fair to ask  
13 for a preliminary vote from members from Baltimore?  
14 We don't have political bosses in my territory. I would  
15 like to vote with the majority of the Baltimore group.  
16 Could we have a preliminary vote from them?

17 THE CHAIRMAN: I don't know if you have to  
18 take a vote. You have the sense. I am not sure  
19 who are all the Baltimore residents. Mr. Sykes is, Mrs.  
20 Freedlander, Mr. Gentry, Mr. Mindel. Do you want to  
21 state your views?
