

1 we had 36 candidates who are the House of Delegates,  
 2 plus four for the Senate, plus all others we had to  
 3 vote for. I am not overwhelmed by the numbers. Plus  
 4 the issues.

5 THE CHAIRMAN: Ready for the question.

6 Question arises on the motion that the delegates to the  
 7 convention from Baltimore City also run citywide instead  
 8 of by districts. A vote aye is a vote in favor of  
 9 citywide election of delegates from Baltimore City.  
 10 Vote no is a vote in favor of the Committee recommenda-  
 11 tion that in Baltimore City the delegates be elected  
 12 by districts. Vote loses one to nineteen. Any further  
 13 discussion, question or motion as to Section 1? I have  
 14 only a suggestion, Mr. Scanlan. Based on Mr. Case's  
 15 suggestion which gives me a great deal of concern, I  
 16 wonder if the Committee might not consider the possible  
 17 desirability of drafting this section so that it merely  
 18 provides for the election of delegates for the convention  
 19 called by the previous act of the General Assembly ratified  
 20 by the vote so as to avoid any inference that this act  
 21 creates an office.
