

1 to have this type provision.

2 MR. HARGROVE: I might suggest that some
3 provision should be made for drawing because this just
4 leaves it to the Supervisor of Elections to make a
5 drawing. I think it should be notification to
6 candidates and a drawing in some place they can attend.

7 MR. SCANLAN: It is required to be in
8 public.

9 MR. HARGROVE: That means nothing. I think
10 notification should be given to the candidates as to
11 the time and place of drawing because a public drawing
12 is not much when you don't have anybody there but the
13 Supervisor of Elections and a few people who operate
14 his office. You must remember these offices are political
15 offices and in Baltimore City particularly the placing
16 of names on the ballot is an art. I think it would be
17 the same thing here.

18 MR. SCANLAN: A day certain is specified,
19 May 2. It has to be a public drawing so the candidates
20 know the day, they know the place, and I assume would
21 be there.
