

1 out qualified candidates who have names with beginning
2 parts of the alphabet. I don't feel strongly about it.

3 THE CHAIRMAN: Any further comment?

4 DR. BURDETTE: It is about a 5 per cent
5 difference?

6 DR. MICHENER: Line 6 where the reference
7 is to voting machines, paper ballots to be chosen
8 according to current usage, this would prohibit
9 Baltimore City or someone from using paper ballots to
10 take care of the eventuality spoken of earlier, voting
11 machines might be tied up.

12 MR. SCANLAN: I think the answer is if
13 it turns out that the concern Mr. Bond expressed earlier
14 Baltimore City election has these machines tied up
15 because of the canvass, they couldn't have machines
16 ready on June 6, having a city general election in early
17 May, I would assume then the Legislature, when this
18 bill goes before it, by that time we will know that,
19 would move the date of election instead of June 6, move
20 it to the middle of June. That can be accommodated. I
21 don't see any reason for changing the current usage of
