2 MR. MARTINEAU: I think this problem is
3 answered by Section 2 saying to be eligible as a
4 delegate to the Convention a person shall possess X
5 qualifications. I think that this would necessarily
6 apply to anybody whom the Governor would appoint or who
7 would be elected by the Convention.

8 DR. BURDETTE: In that case you need
9 eliminate the statement of the Governor. If you put
10 it in the Governor and not the Convention, the implica-
11 tion is the Convention is not bound.

12 MR. CASE: I am not sure it does with respect
13 to the Governor because the word qualification is
14 referring back to Section 2 doesn't necessarily mean --

15 THE CHAIRMAN: Section 2 is rewritten.

16 MR. CASE: I understand it is rewritten
17 but it doesn't say anything about where the man comes
18 from. That is contained in an entirely different act.

19 THE CHAIRMAN: That's what I mean, Section 2
20 as rewritten today would provide that he have a year's
21 residence in the district from which he is elected.
