

1 presiding officer of a Constitutional Convention in
2 Maryland at least has usually been referred to as
3 President.

4 MR. SCANLAN: We will accept the Chairman's
5 suggestion on that. We will eliminate the word
6 temporary and change the word Chairman to President.
7 Unless it meets with some objection.

8 THE CHAIRMAN: Is there any objection? In
9 other words, it would be that the President of the
10 Senate shall attend upon the initial meeting of the
11 Convention at the appointed hour and shall have the roll
12 of the elected delegates called and shall act as chairman
13 of the Convention until it shall be organized by the
14 election of a president.

15 Is there any further question about the
16 section?

17 DR. MICHENER: Technically election of a
18 Chairman doesn't organize the Convention, does it? It
19 takes more than that.

20 MR. HARGROVE: It will be organized before
21 that.
