

1 train schedule.

2 MR. BROOKS: I believe it is a term of
3 art at this stage.

4 JUDGE ADKINS: Does it mean enough to be
5 sufficient here without further definition? What does
6 it mean precisely, talking about time schedule?

7 MR. BROOKS: Not necessarily.

8 THE CHAIRMAN: It is a misnomer in the sense
9 in which we have been using it.

10 JUDGE ADKINS: You are satisfied that just
11 using the term schedule without more --

12 MR. BROOKS: It is a term of art sufficiently
13 definable not to require further definition.

14 THE CHAIRMAN: He is more satisfied on
15 that than the Chairman is.

16 MR. CLAGETT: If it means interim legisla-
17 tion, then I understand, by what you are saying.

18 MR. BROOKS: That is right.

19 THE CHAIRMAN: Transitional.

20 MR. BROOKS: Transitional legislation.

21 MR. BOND: I move that Section 14 be deleted.
