

1 THE CHAIRMAN: Dr. Bard, may I interrupt a moment?  
2 ent? You were not here yesterday. At the time we considered  
3 the Second Report of the Committee on Finance, I think that  
4 the emphasis of the people to whom we have just referred  
5 and the protection of the financial matters dealing with  
6 education was more with respect to the budgetary provisions  
7 in Section 52. The Second Report of the Committee on Finance  
8 presented yesterday and approved provides for that kind of  
9 financial protection.

10 DR. BARD: Then I withdraw the comment.

11 THE CHAIRMAN: Any further question regarding  
12 Section 17?

13 Mr. Miller?

14 MR. MILLER: I suppose it is standard, but it  
15 seems to me -- but what is school age for a child?

16 MRS. BOTHE: I would like to mention that  
17 because a number of State Constitutions specify between  
18 6 and 16 or 16. We deliberately phrased the word the way  
19 we did because the concept is a changing one, going  
20 both down and up. Kindergartens will probably be available  
21 to all children within the foreseeable future, and it
