

1 educational facilities on whatever terms it can to as
2 many people as possible while Section 2 commands the
3 existence of a Statewide secondary school system open to
4 all.

5 THE CHAIRMAN: Any questions?

6 Mr. Miller?

7 MR. MILLER: I would just like to hark back
8 to the question of children. Would your theory be that
9 a returned veteran of twenty-five who wanted to finish
10 high school would not per se have a right to go to public
11 school?

12 MRS. BOTHE: I don't believe, Congressman,
13 that he would have. I would hope he would be able to,
14 but --

15 MR. MILLER: If he wasn't a veteran; he probably
16 is a veteran, he might have GI education, but suppose some-
17 body for some reason or other is twenty-five years old,
18 but they want to finish high school.

19 MRS. BOTHE: He can finish high school hope-
20 fully at State expense. He is not the person who is
21 covered under Section 2. Now, it may be that in the next
