

1 procedure, but it seems to me that Judge Adkins' motion
2 is to amend the pending motion.

3 THE CHAIRMAN: He is entirely in order, but
4 I suggested we make better time if we do it in a differ-
5 ent way. Split it as a separate motion after we act on
6 this.

7 Mr. Della?

8 MR. DELLA: Mr. Chairman, I am a little con-
9 cerned about changing the word, citizen.

10 THE CHAIRMAN: You can debate that on the
11 motion. The mover has made the change at the moment.
12 Any further comment as to the motion? The motion now
13 before us is a motion to eliminate Section 1 and to
14 amend Section 2 by adding to Section 2 as it appears on
15 Page 15, the phrase, and shall also provide for such
16 other public educational institutions as may be desirable
17 for the intellectual, cultural and occupational develop-
18 ment of the people of this State. Any discussion?

19 Mr. Gentry?

20 Just a moment. Mrs. Freedlander, as the mover,
21 you have the opportunity to open the debate.
