

1 THE CHAIRMAN: Any further discussion? All
2 those in favor, signify by a show of hands. Contrary?
3 The motion is carried, 20 to 1.

4 Dr. Bard?

5 DR. BARD: I would like to move that we delete
6 the word, children, in the proposal.

7 MR. MILLER: I would second that, and the
8 Doctor has worded my thoughts much better than I have.

9 THE CHAIRMAN: Any statement in support,
10 Dr. Bard?

11 DR. BARD: Yes. I think that the word, children,
12 creates a good deal of confusion when educators appear
13 before legislative bodies or at the time of any hearings,
14 particularly as they deal with areas, the so-called gray
15 areas that lie within the high school and beyond, because
16 here is where they get trapped, and they get into difficulty
17 and furthermore, the strength of the proposal that we have
18 just adopted, and I think it is an excellent one, and it
19 is broad in scope and not limited in terms of time. I
20 think the word, child, can be very limiting.

21 THE CHAIRMAN: Mr. Miller?
