

1 they are appointed?

2 MRS. BOTHE: There is an explanation of that.

3 THE CHAIRMAN: Let's hold the questions until  
4 after the coffee break except questions as to procedure.

5 (At this time a short recess was taken.)

6 THE CHAIRMAN: Are there any questions as to  
7 the recommendation of the Commission with respect to Section  
8 3? Questions only at this period, please.

9 MR. SCANLAN: Several times during the course  
10 of the presentation, Mrs. Bothe used the word, autonomy,  
11 and yet I don't think ever explained the sense in which it  
12 was intended, not that the word is used in the proposed  
13 Section 3, but apparently the legislative intention  
14 behind it is to grant autonomy. Autonomy to me, means  
15 self-governing in all respects, and I wanted to know if this  
16 was the meaning the Committee had in mind.

17 MRS. BOTHE: It was not. Whenever the Committee  
18 uses the word, put the word in quotation marks. We use  
19 it as a convenience because we certainly do not mean that  
20 the University shall have absolute control over its  
21 finances and operations. What we mean, we tried to explain
