

1 legislative command?

2 MRS. BOTHE: We would say it would be uncon-
3 stitutional because Section 3 must be read as a whole.
4 The latter portion grants the Regents exclusive super-
5 vision. We would feel that any invasion of the curriculum
6 would be unconstitutional.

7 MR. SCANLAN: So the phrase, in accordance
8 with law, does not mean very much?

9 MRS. BOTHE: It means that reasonable safe-
10 guards before and after the appropriation shall be made.

11 MR. SCANLAN: This is one before.

12 MRS. BOTHE: Not with curriculum. They
13 couldn't constitutionally pass a law such as we have
14 expressed it. However, they could pass a law saying that
15 the University shall place all of its funds in the State
16 Treasury.

17 MR. SCANLAN: But they pass the laws saying that
18 employees of the State of Maryland must take a loyalty
19 oath.

20 MRS. BOTHE: Possibly no.

21 MR. SCANLAN: These are important matters.
