

1 salaries, this would improve their situation and yet  
2 they say they cannot do it without the approval of the  
3 Budget Bureau which isn't forthcoming. So apparently,  
4 in this area at least in the area of salaries, although  
5 the money is available, it cannot be diverted within  
6 the institution.

7 THE CHAIRMAN: Dr. Jenkins?

8 DR. JENKINS: The theory of the program budget  
9 is that the institution can use any money within that  
10 program without outside approval. As a matter of fact,  
11 the institution may not do that. They must advise the  
12 Budget Bureau of any change in line items and the Budget  
13 Bureau declines to permit this. In other words, you may  
14 have an appropriation for equipment. You could not then  
15 use that for supplies without the consent of the Budget  
16 Bureau.

17 MR. SCANLAN: I got confused. Earlier Mrs.  
18 Bothe said that the University of Maryland had funds to  
19 hire ten teachers at a certain salary and decided to hire  
20 five at double the salary under the present budgetary  
21 procedures. A moment ago, you said there would be money
