

1 been no Autonomy Act.

2 MR. SCANLAN: Then your answer so far as you
3 personally know, there has been no interference with the
4 receipt of Federal grants due to any restrictions by the
5 State of Maryland?

6 MRS. BOTHE: Dr. Elkins tells us if he did
7 not have the statutory authority he has, that he would
8 not have been able to obtain the numbers of grants, and
9 I think Maryland ranks something like fourth in the nation
10 in grants to any universities, that he would not have
11 been able to receive these funds as readily as he has.

12 MR. SCANLAN: I was confused. I thought there
13 was some present restriction that somehow impeded the
14 receipt of Federal grants by the University of Maryland.
15 I gather there is none.

16 MRS. BOTHE: No.

17 DR. BURDETTE: An amendment in 1964 excluded
18 new payment.

19 THE CHAIRMAN: Any further questions? I have
20 a few questions of Mrs. Bothe, just to find out the
21 Committee's understanding. Under the Section, as your
