

1 votes and suggest they hold it very brief, 15 seconds
2 perhaps. All those in favor of the motion, the motion
3 to delete Section 3 in its entirety, please signify by a
4 show of hands. Contrary? The motion is carried, 11 to
5 10.

6 Dr. Bard?

7 DR. BARD: I would like to explain my vote
8 because I think it would be important in terms of perhaps
9 proposing another motion with such a close vote. A good
10 deal was said about academic freedom. How does academic
11 freedom differ for those who teach at the graduate level
12 at a State level, from those who teach at State colleges?
13 A good deal was said about the seven constitutions, many
14 of those embrace the entire higher educational system.
15 A good deal was said about budgetary restrictions. This
16 holds true at the entire higher educational spectrum,
17 and so my vote was a negative one because I felt that it
18 picked out but one segment of the tripartite arrangements.
19 I am hopeful that perhaps we can provide for the whole
20 arrangement.

21 THE CHAIRMAN: Mr. Claggett?
