

1 what was the wording I had in mind, that our vote here has
2 not taken away any possible support to statutory autonomy.

3 THE CHAIRMAN: I take it that is exactly the
4 purpose of Dr. Jenkins' motion, and I would also take
5 it that every Member of this Commission is in sympathy
6 with it.

7 Mrs. Bothe?

8 MRS. BOTHE: The debate speaks for itself.
9 As a matter of fact, I am wondering if the motion
10 wouldn't water down the point rather than make it because
11 I think the record should show it does infer essentially
12 that the vote as taken was actually in favor of autonomy.
13 The person who did vote and subsequently explained it has
14 explained he didn't think there was enough autonomy in
15 the proposition.

16 THE CHAIRMAN: The only difficulty is that not
17 every Member who voted expressed his views.

18 Ready for the question? The question is on
19 Dr. Jenkins' motion that the minutes contain the state-
20 ment that he has read and that the reporter has to the
21 general effect that the vote to delete Section 3 is
