

1 in accordance with law and the Regents shall have exclu-
2 sive general supervision of the institution. Deleting
3 the words following, that the control of the expenditures
4 of the institution's funds will be under the supervision
5 of the institution.

6 MR. CASE: I will second.

7 THE CHAIRMAN: Mrs. Bothe, I would have to rule
8 the motion out of order. At the time this was considered,
9 I called for question of all amendments. Since then
10 there is at least one or perhaps two Members of the Com-
11 mission who have not participated in the previous debate
12 or been present when it was heard. When that question
13 arose in July and request was made for such a person to
14 vote, the Commission determined that it should not grant
15 the privilege to anyone who had not been present during
16 the debate. I think in all fairness now that the same rule
17 should apply.

18 MRS. BOTHE: I agree with you, Mr. Chairman,
19 and the Members of the Commission or any Member not
20 present for the debate should not be privileged to vote
21 on the issue, but I am asking that a vote be taken by those
