

1 THE CHAIRMAN: Do you need the phrase who
2 shall be allocated among the counties by law at all, does
3 it add anything? Mr. Rodowsky.

4 MR. RODOWSKY: I think you need something
5 to tie in with the residency requirement further on
6 particularly with the change that was dictated by the
7 Commission that you have not only a residence as a
8 condition of eligibility for nomination and appointment,
9 but this concept of a principal place of the practice
10 of law and which creates the problem so that you need
11 some concept whereby the particular office to be filled
12 is tied to a particular one of the counties since I
13 think the idea is --

14 THE CHAIRMAN: I take it you are saying
15 the Legislature shall have the power to determine
16 the number of Judges to be allocated to each county and
17 that is all?

18 MR. RODOWSKY: And I think if we change
19 the who to which, it might do it because it modifies
20 number and not the person.

21 THE CHAIRMAN: All right.
