

1 THE CHAIRMAN: That could be a question for
2 the Style Committee.

3 MR. MARTINEAU: Correct.

4 THE CHAIRMAN: I take it the Committee
5 agrees to the deletion of the sentence?

6 MR. MARTINEAU: I don't know about the rest
7 of the Committee.

8 THE CHAIRMAN: Is there any objection to
9 the deletion of the sentence there shall be a division
10 of the District Court for each district?

11 MR. MARTINEAU: We don't object.

12 THE CHAIRMAN: That will be out. Now
13 go on to 6.

14 MR. MARTINEAU: I have already explained
15 Section C. Section 6 is merely, it was Section 8 and
16 has now been designated Section 6. Other than that,
17 there is no change. Section 7, the one change here is
18 in the, at the end of the third paragraph where we
19 deleted the reference to the making of the budget. You
20 have already approved a slightly different form in the
21 Second Report of the Committee on Finance and Taxation.
