

1 contained in our Fourth Report, that is that you must  
2 be a resident of either the appellate judicial circuit,  
3 the county, or district for which the vacancy is and  
4 there is no provision for having your principal office  
5 for the practice of law. That was as proposed in our  
6 Fourth Report. The Commission amended it with respect  
7 to the Superior Court to provide for the eligibility of  
8 a person who has his principal office for the practice  
9 of law in a county where the vacancy exists. Then  
10 No. 4 applies the idea of qualifying a person to sit  
11 on the Supreme Court and Appellate Court where he either  
12 resides or has his principal office for the practice  
13 of law. That is extending the idea applied by this  
14 Commission to the Superior Court to the Supreme Court  
15 and Appellate Court.

16 THE CHAIRMAN: Any questions?

17 MR. SAYRE: Is there a motion?

18 MR. CLAGETT: I have the idea but I have  
19 lost the specifics.

20 JUDGE ADKINS: Didn't we vote on all  
21 these questions at the last meeting?
