6 MR. CLAGETT: I would ask the Committee to
7 consider the benefits while practicing.

8 MR. MARTINEAU: There is no feeling that
9 there should be absolute forfeiture and unless someone
10 suggests it and moves it, we are talking about something
11 that is not a problem.

12 MR. CLAGETT: If it is no problem, I don't
13 want to talk about it.

14 THE CHAIRMAN: Mr. Miller.

15 MR. MILLER: The only thought I have is
16 I would hate to see our new Constitution make it
17 necessary for Judge Adkins to retire from the practice
18 of law. We need him in that capacity down in Easton
19 and I hate to have it constitutionally impossible.

20 MR. MARTINEAU: There won't be any require-
