

1 MR. HAILE: Yes, sir. It says salary shall
2 not be reduced.

3 THE CHAIRMAN: This says salary of each
4 Chief Judge and each Judge of the Circuit Court shall
5 not be diminished during his continuance in office.

6 MRS. BOTHE: That is salaries.

7 THE CHAIRMAN: That was the amendment in
8 1956.

9 MR. MARTINEAU: The Committee's recommen-
10 dation which I just presented was that the pensions be
11 included in the protection that they shall not be
12 reduced. I suppose -- well, that will be adopted unless
13 someone makes a motion to the contrary.

14 THE CHAIRMAN: Mr. Gentry, in view of the
15 considerable discussion, perhaps we ought to have a
16 motion with respect to Section 12. Do you care to make
17 it?

18 MR. GENTRY: I move the adoption of Section
19 12 as submitted to get it on the floor.

20 THE CHAIRMAN: As submitted subject to the
21 matter to be reconsidered by the Committee.
