

1 Constitution. I believe the Supreme Court in a rule
2 governing the administration of the court could very
3 well provide that the senior Judge or some Judge
4 designated by the Chief Justice or Supreme Court could
5 have this authority, whatever it might be and I think
6 it would be sufficient to mention that in the comment
7 to our, one of the comments to our report rather than
8 putting it in the Constitution itself. I don't believe
9 it arises to the constitutional level. There are a
10 number of other points raised in the letter. I don't
11 think any of them have not been considered and if any-
12 one, of course, wants to raise it, raise any of the
13 points after reading the letter when you receive it,
14 you are, of course, free to do so.

15 THE CHAIRMAN: Any further question concern-
16 ing the Fifth Report? If not, we will proceed to a
17 consideration of the report of the Committee on the
18 Executive Department. This is the Sixth Report. While
19 you are getting that together, let's take the opportunity
20 for a short recess.

21 (Short recess.)

THE CHAIRMAN: We will now take up the
