

1 THE CHAIRMAN: Is there a second?

2 MR. MITCHELL: Second.

3 DR. BURDETTE: What is the motion?

4 THE CHAIRMAN: The Committee has suggested
5 that Paragraph (b) be amended by adding the words
6 executive or before the word administrative at the top
7 of Page 5. The motion is to leave the section as it
8 appears on Pages 4 and 5. Dr. Burdette.

9 DR. BURDETTE: I think I have an objection
10 to this and I would like to bring it to your considera-
11 tion. I should think that the Governor may properly
12 ask from the heads of departments. I think it is very
13 dubious, for instance, whether he should write to me as
14 an officer of the University of Maryland and not to the
15 president of the University of Maryland and require
16 me to answer. This applies throughout the state. Why?
17 I think it very dubious for the Governor to pick out
18 anybody, the university may be a poor example, but take
19 the State Department of Health and take the 15th man and
20 advise him I want everything. This is a constitutionally
21 required arrangement that officers report directly to
