

1 language proposed by Mr. Scanlan the Governor would
2 have no control over that.

3 JUDGE ADKINS: That is part of the executive
4 department.

5 MR. BOND: Are they?

6 MR. CLAGETT: They are all appointed by the
7 Governor.

8 MR. MILIER: How about Workmen's Compensation?

9 JUDGE ADKINS: I would take it everything
10 would be included except the officers' responsibility
11 to the judicial branch and the legislative branch and
12 those officers responsible to that which would include
13 the department of legislative reference and the adminis-
14 trative officer of the court.

15 MR. SCANLAN: Precisely.

16 MR. BOND: I agree as a matter of policy.

17 THE CHAIRMAN: You could remove any doubt
18 with a little more phraseology and say instead of
19 included within the executive branch say other than
20 those included in the executive and judicial branch.

21 JUDGE ADKINS: I find that not acceptable.
