

1 DR. BARD: My question has been asked. I
2 do want to get into the debate.

3 THE CHAIRMAN: Mr. Della.

4 MR. DELLA: Judge, would this include in your
5 recommendation the Workmen's Compensation Commission
6 also?

7 JUDGE ADKINS: The Workmen's Compensation
8 Commission in our thinking would fall under paragraph
9 (c) of the quasi-judicial agency.

10 THE CHAIRMAN: Any further question?

11 MR. CLAGETT: The executive secretary of
12 the Racing Commission reports to the Governor on the
13 status of various funds which have been built under
14 that Commission by law such as the Maryland Breed Fund,
15 such as the Building Fund insofar as the tracks are
16 concerned and there is a difference between the operation
17 of that fund relating to the mile tracks as distinguished
18 from the half mile tracks. So the Governor should
19 have access to an appointive power or firing power
20 over that individual because of the responsibility with
21 respect to those funds which carries on over and through
