

1 THE CHAIRMAN: Mr. Gentry, would that  
2 change, meet your motion or would you want your motion  
3 to go beyond that?

4 MR. GENTRY: The only examples you mentioned  
5 are which, the Board of --

6 THE CHAIRMAN: It would take out of any  
7 possible operation of (b), and include under (c),  
8 governing boards of educational institutions,  
9 institutions of higher education. It would leave under  
10 (b), boards that are heads of departments of noneducational  
11 agencies.

12 JUDGE ADKINS: My advisor here tells me  
13 he thinks I was wrong that he thinks the Board of  
14 Regents would be covered in view of that and in view of  
15 the earlier Commission's votes, I would think that I  
16 at least would not object to, if Section (c) were  
17 amended as the Chairman suggests. I think it would be  
18 inconsistent in view of your earlier motion to do  
19 otherwise.

20 MR. GENTRY: That is the purpose I am  
21 striving for.
