7 members of all boards or commissions except the members  
8 of higher institutions.

9 THE CHAIRMAN: That would be a stylistic  
10 change. Mr. Gentry.

11 MR. GENTRY: Could I ask also that the  
12 word state precede institutions? Make it state  
13 institutions of higher education. I am sure that is

15 THE CHAIRMAN: I really don't know. Are  
16 there not some schools, I don't know whether they would

19 appointments on?
