

1 THE CHAIRMAN: Dr. Bard, that we will have
2 to act on anyhow because the Commission decided that
3 should be presented as an alternate so that both systems
4 will have to be acted on.

5 DR. BARD: I stand corrected. Finally,
6 tomorrow we would like to take up this memo which I
7 remind you is not a manifesto but sets forth the broad
8 philosophy of the Committee, namely, that we believe
9 that though the Commission has gone along with the
10 Committee recommendations in respect to strengthening
11 the hand of the Legislature there are six areas which
12 we think make up a matrix that is highly important,
13 that it all fits together and that on this sixth occasion
14 we think we have been turned down in areas that are
15 greatly significant and therefore we would like to
16 present the possibility of looking at one or everyone,
17 at one or another of these six series. We would like
18 to look at all six before we finally close our Committee
19 consideration. This then will make up our report
20 tomorrow.

21 THE CHAIRMAN: Let me ask each member of
