

1 ideas, we felt there was considerable damage and we hope
2 the Commission will further look at these.

3 In Section 7, there are two points, the first two
4 points of our memorandum. The first point is that the
5 Legislature should be a continuing body. I think I'm right,
6 Mr. Chairman, in saying that the first time we submitted
7 this idea, it passed. The second time, it failed, and was
8 there a third time on that one?

9 MR. BROOKS: Yes.

10 DR. BARD: And the third time on this one, it
11 failed, but the first time it did pass.

12 Now, the second point of our memorandum deals
13 with the Legislature shall have the power to convene itself.
14 We feel even more strongly on this point. We would like to
15 add beyond the one dealing with the Governor may convene
16 the General Assembly at special session at any time, but the
17 Legislature may call itself into session upon three-fifths
18 vote of its body.

19 We feel there are any number of necessities in
20 this regard and it would give the power which the Legislature
21 should have. The requirement that there be three-fifths or
