

1 them and to go home when it doesn't demand them. I, for
2 one, trust them.

3 THE CHAIRMAN: Judge Adkins?

4 JUDGE ADKINS: I would like to simply make this
5 comment, that at this late date, this means a major rewrite
6 of at least two Reports and I think more on what this Com-
7 mission has acted. This would have to be largely rewritten,
8 the Budget Report will have to be rewritten.

9 I simply would like to ask if the Committee on
10 the Legislature would like to take on those responsibilities?
11 We had written this Report after a discussion on this prob-
12 lem and I personally take a dim view of doing this all over.

13 MR. CLAGETT: I would like to ask Dr. Bard,
14 since we are doing what we are now six times, or possibly
15 more, over, whether there is any priority in the thinking
16 of the Committee among those six suggested problems?

17 DR. BARD: Yes, there is, and perhaps I'm
18 speaking as an individual here. I, myself, would feel more
19 strongly in terms of the next proposal in respect to Section
20 7, and I'm glad that you have asked the question, namely,
21 that concerned with the authority and right of the
