

1 minutes. There was another proposition, Senator Hoff,
2 which was passed by a vote of 16 to 9, which followed that,
3 and that was that the Legislative session should be 70
4 days, but the precise point here on the continuing session
5 was a separate vote. There were two matters both connected
6 with this Section and both closely tied together.

7 MR. HOFF: I would suggest, knowing how some of
8 the absent Members feel about this proposition, and I know
9 how I feel about it, and Judge Adkins, this question is
10 bound to come up again when there is a larger representation
11 of the Committee present; I'm just wondering, by passage of
12 this proposition today, if we are not imposing on some of
13 our other Committees a terrific burden of rewriting that
14 will simply have to be undone again at a later date when
15 this proposition is voted on.

16 THE CHAIRMAN: Any further debate? Before Dr.
17 Bard proposes, I would like to state my position. First,
18 on the matter of substance, I would agree that logic would
19 support the position of the Committee and initially I was
20 one of those voting to approve the principle of the con-
21 tinuing Legislature. However, I think this is one of those
