

1 them, regular sessions, special sessions of the Legislature
2 and numerous other provisions that would make it necessary
3 to go over it with a fine tooth comb.

4 In addition, I would feel that it was very un-
5 fortunate if, in the light of the previous votes, the one
6 of -- I don't know the September vote, but 10 to 13, that
7 is, rejected by 13 Members on one occasion and then the
8 very closely allied proposition that the Legislative session
9 be limited to 70 days passed by 16 to 9, if by a vote of any
10 number of Members today less than that, either of those
11 majorities, we reverse that position.

12 We are confronted with the necessity of finishing
13 our task and it seems to me that if we allow ourselves to
14 reconsider and change our position here, we necessarily must
15 accord that privilege at the next Meeting of the Commission
16 to the other Members.

17 I would personally feel that the previous action
18 of the Commission on this issue should stand and that the
19 report should carry in its body the text of an alternate
20 provision providing for a continuing session, so that the
21 Convention when it debates the matter anew, if it wished
