

1 DR. BARD: We better. Reconsider the action of  
2 a tie vote in connection with this proposal, is that it?

3 THE CHAIRMAN: No, there is more than one action.  
4 The motion, I would take it, is to reconsider the previous  
5 actions of the Commission in rejecting the idea that the  
6 Legislature could call itself into special session by an  
7 extraordinary vote.

8 MRS. FREDLANDER: I second that motion, Mr.  
9 Chairman.

10 THE CHAIRMAN: That is not debatable. The  
11 proposition heretofore presented was that the Legislature  
12 could call itself into special session on the written re-  
13 quest of three-fifths of the Members of each House. That  
14 was rejected at the August Meeting by a tie vote. It was  
15 again rejected in September. I do not have the minutes and  
16 do not know the vote. Now, the motion is not debatable.

17 All those in favor of reconsidering that vote,  
18 please signify by a show of hands. Contrary? The motion  
19 is carried, 12 to five.

20 Dr. Bard, do you want to now move to add a sen-  
21 tence, I believe?
