

1 seems to me that we perhaps ought to consider Recommendation
2 tion 4 before 3, because 3 has no pertinence if we don't
3 accept 4.

4 DR. BARD: That's right.

5 THE CHAIRMAN: At the present time, the Legis-
6 lature is elected on a four-year basis and organized on a
7 four-year basis.

8 DR. BARD: That's correct, the two go together,
9 and actually four would be written into Section 6, if we
10 adopted it, and if you turn in your document to --

11 THE CHAIRMAN: Well, first, before you do that,
12 this would be a motion to reconsider the action by which
13 the Commission heretofore decided against having a provision
14 for staggered terms for the Members of the Legislature.

15 DR. BARD: Before I make this motion, I would
16 like to say that I believe firmly that in the case of these
17 two items, the same point that was made earlier about the
18 fact that we do not have a complete body here would hold
19 true in respect to these two items. It was our purpose,
20 the purpose of the Committee, to not necessarily move re-
21 consideration in respect to each of these items, but to
