

1 view? Then here is where I think the Committee on Style
2 could improve the language to make it clear.

3 Any further comment with reference to Section 7?
4 If not, we move to Section 10.

5 DR. BARD: Section 10 took care of a requirement
6 that we add, we make the revision and include, Following
7 more than 90 days after the vacancy occurs.

8 THE CHAIRMAN: I'm not sure your comment is en-
9 tirely clear, Dr. Bard. I'm thinking of the record now and
10 not the Members present.

11 DR. BARD: In our Sixth Report, Section 10 read
12 as follows: Any vacancy in the General Assembly shall be
13 filled by appointment by the Governor, provided, however,
14 that a Party Member shall be succeeded by Members of the
15 same Party and provided further that person so appointed
16 shall serve only until the next biennial General Election,
17 at which time, any remaining portion of the unexpired term
18 shall be filled by election; and there was the desire that
19 we clarify at which point this would take place and then
20 we added these words, at the recommendation of the Commission
21 Following more than 90 days after the vacancy occurs.
