

1 records and papers, and here I inserted the words, Germane  
2 to legislation pending either before such House as a whole  
3 or before any Committee thereof. That would be the sub-  
4 stance of my first Amendment.

5 MR. SYKES: Could I ask a question on that?

6 THE CHAIRMAN: The only insert, then, is the  
7 phrase, Germane to legislation pending, is that correct?

8 JUDGE ADKINS: I'm sorry, I was answering a  
9 question.

10 THE CHAIRMAN: The only issue is the question,  
11 Germane to legislation pending?

12 JUDGE ADKINS: Yes. Mr. Sykes seems to make  
13 an appropriate suggestion, and that is we strike out the  
14 word, exercise.

15 MR. SYKES: In other words, Each House may com-  
16 pel.

17 THE CHAIRMAN: All right, the motion is to amend  
18 the next to last sentence of this section by deleting the  
19 phrase, Exercise its power to, and in the third line of  
20 the sentence, after the words, Records and papers, insert  
21 the words, Germane to legislation pending.
