

1 not say that is a complete answer.

2 MR. BROOKS: It was thought at the time as
3 provided by law calls, or rather, the phrase was added be-
4 cause of the removal of a number of prior elected officials
5 from the Constitution, that it might be desirable and some
6 allowance might want to be made for the impeachment of some
7 of the appointed officials or officials chosen in manners
8 other than by General Election.

9 MR. HOFF: Well, I'm curious to know how far
10 this power of impeachment does go? I'm not familiar/ ^{with} it.

11 THE CHAIRMAN: Well, I am not sure myself, and
12 your question is the one that is in my mind, I assume, and
13 that is, does the power of impeachment extend beyond elec-
14 tive officers. I don't think we can answer that. I believe
15 it does, but --

16 MR. MILLER: It does repeatedly on the Federal
17 level.

18 THE CHAIRMAN: I think that's a question that we
19 will have to research further and I should think the answer
20 would be fairly clear, if we can get it. Dr. Bard?

21 DR. BARD: Mr. Chairman, in light of the
