

1 a matter that the Committee should consider more carefully  
2 and come back with a report as the second special order of  
3 business on next Monday?

4 MR. SYKES: I will withdraw my motion, but I  
5 would request that the first order of business of the  
6 Committee in considering this is the First Draft of the  
7 memorandum on the impeachment power and I hope on the im-  
8 peachment power, as distinguished from the Legislative  
9 provision, it gets a memorandum.

10 DR. BARD: It is a problem. If you can help us  
11 any by taking a day off, that will be deeply appreciated.

12 THE CHAIRMAN: The motion is withdrawn and, in  
13 the absence of objection, the Section will be re-committed  
14 to the Committee to report back at the next meeting of the  
15 Commission.

16 DR. BARD: Section 17 had but three words added  
17 at the request of the Commission and those are the words on  
18 Page 6, in final form. Except during the first two days of  
19 a special session, no final vote for passage of a bill shall  
20 be taken until the bill shall have been printed in final  
21 form.
