

1 because there are a number of matters that are still  
2 open which need solution by the Commission, and we can-  
3 not wait until November 21 to have an answer on them.

4 I cannot even suggest when the next Committee  
5 work will be completed to the point that these remain-  
6 ing questions can be submitted to it, and therefore,  
7 rather than try to arrange now for another meeting and  
8 agree on when it shall be, we will try to get in touch  
9 with each Member of the Commission before the end of  
10 this week when hopefully we will have a better idea as  
11 to what the status of the Committee work will be. I  
12 would ask each Committee Chairman and Reporter as soon  
13 as this meeting is over or if you have any breaks in  
14 between, to check over your own work and let Mr. Brooks  
15 or me know just as quickly as you can what additional  
16 matters have yet to be reported by your Committee and  
17 give us some idea of what your present plans are for  
18 Committee meetings.

19 Here let me emphasize that, much as I regret  
20 to suggest to any of you that you have additional meet-  
21 ings this week after this two-day meeting, I am afraid
