

1 in the same envelope, and some of you will assume it is
2 all report and will lay it aside until you have a chance
3 to look at it. For that reason, a number of people
4 did not get the notice of this meeting or got it but did
5 not receive the notice right away.

6 Open your package, even though it is bulky,
7 to see if it is an urgent communication. We will endeavor
8 to flag in some way for you the enclosures that are
9 sent to you which require immediate review, so that at
10 least you can give priority to those particular matters.

11 As all of you know, there are three matters
12 which are of special order of business for this afternoon.
13 I purposely made the matters a special order of business
14 for this afternoon immediately after lunch so as to
15 insure to the extent we can get the maximum possible
16 attendance in case you are delayed in arriving but also
17 to enable the Commission Members to discuss among them-
18 selves at lunchtime the Reports that will be acted on as
19 special order of business. They will be taken up in the
20 order in which they were made special orders of business.
21 That means that the special Report, not a numbered report,
