10 If not, this will conclude the special order of business.
11 This will end further consideration of this Section. Is
12 there any further amendment to discuss with respect to
13 this Section? If not, that concludes consideration of
14 that special order of business. We move on to the next
15 special order of business, which is the consideration of
16 whether the Legislature should be unicameral or bicameral.

20 The matter before you is the continuation of the
