

1 in favor of bicameral Legislature are willing to sit
2 back and let these arguments come forth. I think that the
3 unicameral Legislature will fix responsibility and/will
4 be much less buck passing, as someone said a few minutes
5 ago.

6 Insofar as checks and balances are concerned,
7 to me that is a fallacious argument. What is there to
8 check and balance when you have reapportionment? In the
9 early days, of course, they wanted a rural section, per-
10 haps wanted to check the urban section. Now we find
11 that members coming from all over the State representing
12 the people as a whole, one person, one vote, I think
13 there is absolutely no basis for this argument on checks
14 and balances. Too many people, perhaps, are led astray
15 by the argument of checks and balances when it comes to
16 the Congress of the United States. Well, that is a horse
17 of another color, in my opinion.

18 I don't think it is necessary at all when it
19 comes to State government. We find that virtually all
20 of the municipalities, all of them have unicameral
21 Legislature, and I see no reason why we at this time can-
