

1 This is just for the record. I am talking about on the  
2 merits.

3 THE CHAIRMAN: Any further discussion? Now,  
4 Dr. Bard, you have presented with your Report a draft of  
5 an Article, Legislative Article to the Constitution  
6 which would provide for a unicameral Legislature, and  
7 this would be included in our Report, and therefore  
8 be recommended in the sense that the language would be  
9 recommended. Can you, without too much time, indicate  
10 to us the basic changes or where they occur in this  
11 draft?

12 DR. BARD: I will ask Dr. Michener to do it,  
13 because he was the chief draftsman of that segment.

14 THE CHAIRMAN: I wondered if perhaps we can  
15 do it in this way. I don't want to waste time just  
16 repeating things, but in drafting the Legislative Article  
17 to provide for unicameralism, I assume that you have, to  
18 the extent possible and consistent with the unicameral  
19 Legislature, incorporated all other provisions that the  
20 Commission has heretofore approved.

21 DR. MICHENER: Yes.
