

1 of Section 11.01, Organization of Local Government, and  
2 Section 11.02, which was Powers of County Governments;  
3 and we suspended consideration of that preliminary draft  
4 at Section 11.03 which began with the structure of  
5 County government, and then left for consideration 11.04,  
6 City government.

7 I would like to know the pleasure of the Chair  
8 whether we should continue with Sections 11.03 and 11.04  
9 dealing with the structure of County government and City  
10 government, and then come back to the matter that had been  
11 considered and the Committee directed to further con-  
12 sideration and make certain changes.

13 THE CHAIRMAN: Mr. Clagett, the various pro-  
14 visions dovetail to such an extent that I think it would  
15 be better to start at the beginning and take up each  
16 Section anew. The earlier Sections had been changed sub-  
17 stantially since the last meeting of the Commission, I  
18 think.

19 MR. CLAGETT: On that basis, would you prefer  
20 that we read section by section, and then open it up for  
21 discussion?
