

1 from Montgomery and Howard County combined?

2 MR. CLAGETT: It would be the voters voting  
3 between the area of the proposed new County. Therefore,  
4 it would include that portion of Howard, that portion of  
5 Montgomery, and that portion of Prince Georges, and the  
6 remaining portion of Howard, but not half of both.

7 MR. DELLA: I am not talking about Prince  
8 Georges at all in this particular issue. You have two  
9 County lines. You have Montgomery County and Howard  
10 County, two separate Counties, and supposing the legis-  
11 lators of these two Counties decided they would annex  
12 or let Montgomery County absorb Howard County and make  
13 one County out of it. If the Legislature passed this bill  
14 as such and the voters would then act on it, would only  
15 the voters of Howard County have the right to say that  
16 they don't want to be annexed by Montgomery County, or  
17 would the combined vote of Howard and Montgomery County  
18 be the deciding factor?

19 MR. CLAGETT: It would be those voters within  
20 the new County being created which would be the extended  
21 lines, and therefore the voters within those extended
