2 MR. SAYRE: I would suggest in the referendum  
3 section something to the effect, except as provided in  
4 this Section.

5 MR. CLAGETT: No, that isn't the thinking of  
6 the Committee.

7 MR. MINDEL: Dr. Winslow distinguishes this  
8 and calls it a compulsory referendum, and the other is  
9 permissive.

10 MR. CLAGETT: That would be a correct charac-  
11 terization.

12 MR. DELLA: I think this is setting up a pretty

15 Anne Arundel County who may not be concerned about  
16 running any more, if they get paid off enough to do what  
17 is necessary, and I am being practical, to get a bill  
18 passed.
